

1001027D Purchasing Terms and Conditions

1. Revision History

Rev.	Issued	Created By	Released By	Change Description
See previous revisions for detailed change log				
C	20-Dec-17	AZ	MW	<ol style="list-style-type: none"> 1. Clause 102, Item 7: Removed name of authorized vendor rep. 2. Clause 107, Item 5: Removed name of authorized vendor rep. 3. Clause 108, Item 6: Removed name of authorized vendor rep. 4. Clause 109, Item 7: Removed name of authorized vendor rep. 5. Sample CofC: Removed name of authorized vendor rep. 6. Various: Corrected typos.
D	21-Nov-19	BR	MW	<ol style="list-style-type: none"> 1. Section 2: Removed definition for Supplier (most references have been removed from clauses). Updated definition for Manufacturer. Added definition for Approval by a Competent Authority 2. Minimized requirements in Certificate of Conformance, Material Certificate, and Surface Treatment Certificate clauses. 3. Minor wording changes to Right of Access clause 4. Reordered Clauses 5. Re-worded Traceability, Inspection Records, and Manufacturer and Intermediate Supplier Certificate of Conformance clauses. 6. Updated example certificate of conformance. Added example material and surface treatment certificate.

2. Definitions

- Certificate of Conformance (CofC) - a document certified by an authorized company representative that affirms the supplied good or service meets the required specifications. Also called certificate of compliance or certificate of conformity.
- Vendor – a source that supplies goods or services to Planetary Systems Corp (PSC).
- Manufacturer – a source that manufactures goods from raw materials.
- Approval (of a certification) by a Competent Authority – Approval can be granted in the form of a signature, digital signature, type-written signature, stamp, or a statement of conformance on official letterhead. A Competent Authority is a person or organization that has the legally delegated or invested authority, capacity, or power to approve the certification.

3. Table of Clauses
